CLIMBING WALL/FIXED ROPE ROUTE

 Dorfplatz 4, 6706 Bürs

rock climbing in Bürs

Directions: Motorway exit Bludenz Mitte/Bürs, then left in the direction of Bürs, into the town center and to the entrance to the Bürs Gorge, which is visible from afar. Drive to the very back of the power plant and park on the right next to the E-Werk. Other parking possibilities in the direction of the village center as well as at the sector quarry.

Access: From the parking lot on the hiking trail about 20 m into the gorge, then on a narrow, well-trodden footpath up to the left to the sector "Bürser Verschneidung". 100 m to the left is the currently closed sector "Bürser Pfeiler", keep right along the foot of the wall to the other sectors. To the sector "Bürser Platte" 200 meters out of the gorge towards the center. The sector is clearly visible on the left side (huge smooth slab).

Rock/rock structure: conglomerate with many holes, sharp-edged pebbles and ledges. Athletic climbing dominates. Mostly long endurance routes, only rarely good technique is required.

Difficulty: Mainly for ambitious climbers with endurance and courage. Extreme sport climbing routes, numerous medium-difficulty routes and a few easy classics.
