

Der Wolf ist zurückgekehrt - Kunstwerk Alpine Art Muttersberg

HANDICRAFT/ARTS WORKSHOPS

MEETING PLACE

The wolf has returned from WolfGeorg

On the Alpine Art hiking trail at Muttersberg, eight renowned artists have created their works – each station unique, shaped by individual perspectives on life in the mountains.

WolfGeorg's work couldn't be more relevant than now. The wolf has returned to the Alpine region, bringing with it all fears, stories, and legends. For years, WolfGeorg has addressed these themes and processes them into drawings and sculptures made of wood and steel.
