

FROM A TO B

Before the [Brunnenfeld-Loop](#) disappears under the motorway bridge, you run straight over the small bridge of the Getzner Canal and join the Wiesenrain variant there. This variant makes for a slightly shorter total lap length of 8.4 kilometres. Through the urban area of Klarenbrunn, you come to a large meadow, the Wiesenrain. You then switch to the other side of the railway and rejoin the Brunnenfeld loop at St. Peter's Monastery.
