Tour description

A varied 2-day mountain hike from the Muttersberg Cable Car to the Frassenhütte, including an overnight stay and an ascent to the summit of the Hoher Fraßen

Stage 1

You start your hike at the **Muttersberg** cable car's valley station and follow the trail toward the mountain station. Alternatively, you can take the cable car up to 1,401 m. From there, a well-marked trail leads through sparse mountain forest to the cozy **Frassenhütte** at approximately 1,725 m. Enjoy the first panoramic views of the Rätikon and the Walgau along the way, as well as the tranquility of the alpine landscape.

Stage 2

On the second day, the route leads from the **Frassenhütte** up a trail to the summit of the **Hoher Fraßen**. At the top, a magnificent 360° panoramic view of Vorarlberg, the Silvretta, Rätikon, and the Swiss Alps awaits you—a true highlight for mountain lovers. From the summit, follow the marked trail over the **Tiefenseesattel**. The descent continues along forest and hiking trails to the **Muttersberg cable car**. Depending on your energy and time, you can end the tour at the mountain station and take the cable car back, or continue descending to the valley station. There is also a direct descent from the Tiefenseesattel back down to the valley.

Duration

Day 1: approx. 3–4 hours ascent to the Frassenhütte (without the cable car)

Day 2: approx. 3–4 hours descent to the Muttersbergbahn valley station

Shortcuts are possible using the cable car.

Note: The times listed are approximate. Depending on weather or other factors, the walking time may be shorter or longer.
