GROOMED SNOW SURFACE

Tour description

Atmospheric hike in the snowy winter forest and on the way back with a great view of the high plateau Tschengla.

From the Tschengla car park, hike along the prepared winter hiking trail to Alpe Rona. A little above the Alpe Rona, the winter hiking trail branches off to the right into the impressive Plandedonweg. Depending on your mood, you can hike further or less far. At the end of the grooming turn around and hike back to the starting point. In summer, this trail leads all the way to Nenzing, in winter the trail is not continuously accessible.
