Tour description

Hike from the Brandnertal valley into the Rellstal valley to the Heinrich-Hueter hut.

The hike starts after the ascent with the Lünereebahn directly at the mountain station of the Lünensee cable car. From the Douglass hut you hike to the left on the Lünensee circular trail over the mighty Lünensee dam wall. Follow this trail until you reach the turnoff to the Lünser Krinne. From here, the trail continues along the Lünser Weg and the Gipfesköpfweg directly to the Heinrich-Hueter Hütte. The Heinrich-Hueter hut is ideal for an extensive rest before returning to the Lünensee along the same path.
