

Golf round with variant Klostermaisäß | Brand

MODERATE ROUND TRIP

Tour description

A beautiful variant of the golf round to the northeastern village border of Brand.

From the starting point at the Alvierbad, this trail leads past the Alvierbad and into the valley, crossing over to the other side of the river at the bridge by the Beck riding stable. From there, the trail first leads along the road and then along the green forest path out of the valley to the golf course. At the golf course, follow the path further out of the valley to Klostermaisäß - where the route ends and leads first along the same path and then along the Alvierbachweg back to the starting point.
