

HARD

CABLE CAR ASCENT/DESCENT

ROUND TRIP

Tour description

If you want to go a little further up than just to Lünensee, the Totalp Trail is just the thing for you.

After the ascent with the Lünensee cable car, the trail starts directly at the mountain station. The Totalp trail runs briefly on the Lünensee circular route before it branches off to the right in the direction of Totalphütte. From here it goes uphill to the hut, back it goes the first part on the same way, then the trail leads us right under the Gamslugen again down to the Lünensee. Continue again on the Lünensee circular trail to the starting point.
