Tour description

A sure footing is a prerequisite here! A rude awakening for the legs - that's the result after this 400 metre ascent to the Lünensee.

From the valley station of the Lünensee cable car, the trail leads over the "Böser Tritt" up to the mountain station of the Lünensee cable car. The descent takes place afterwards with the Lünensee cable car.

The ascent to Lünensee via Böser Tritt is not recommended outside the summer season—snow and ice often make it dangerous. You can find the current conditions on the [webcams](#).
