Tour description

Stage 2 of the 2-day tour to the Schesaplana with an overnight stay at the highest hut in Vorarlberg, the Mannheimer Hütte at 2,679 m.

After spending the night at the **Mannheimer Hütte**, the second day takes you across the **Brandner Gletscher** (glacier, groomed and generally easy to walk on) to the **Schesaplana**. Descend to the **Totalphütte** on a well-trodden path (*be careful in spring - snow fields!*) to the **Lünensee** and via the **Böser Tritt** (or with the Lünereebahn) to the Lünereebahn valley station. On foot or by bus from the Lünereebahn valley station back to Brand.

**Variant 1**  
**Day 2 after the overnight stay at the Oberzalim Hütte:** approx. 7 hours via the Leibersteig to the Lünereebahn mountain station, another 45 minutes via the Böser Tritt to the Lünereebahn valley station, another 2 hours from the Lünereebahn valley station to Brand (Innertal).

**Variant 2**  
**Day 2 after the overnight stay at the Mannheimer Hütte:** approx. 5 hours to the Lünereebahn mountain station, another 45 minutes via the Böser Tritt to the Lünereebahn valley station, another 2 hours from the Lünereebahn valley station to Brand (Innertal).

*Note: The times given are approximate. Depending on fitness, weather conditions or other circumstances, the walking time may be shorter or longer.*

**Overnight stay**  
Totalp Hütte

## Equipment

Sturdy footwear, warm clothing, rain and sun protection, a snack, a full water bottle and hiking poles are recommended. In addition, equipment for an overnight stay in a mountain hut and, if necessary, hiking boots for crossing the glacier field. Cell phone for emergencies.

---

## Public transportation

Country bus L580, stop Brand Palüdbahn or Lünarseebahn

Timetable query online at [www.vmobil.at](http://www.vmobil.at)

---

## Parking

Parking lot Innertal, Brand

---

## Tips

Schesaplana day tour: Lünarseebahn - Totalphütte - Schesaplana and back the same way!

---

## Safety instructions

**We recommend sure-footedness, a head for heights and alpine experience. This tour is not recommended in wet conditions and when there are still snowfields on the Leibersteig and below the Schesaplana.** You can divide the ascent per day and hours according to the weather and your own requirements.
